Eden Girls

Friday 22nd March 2019/ 15th Rajab 1440

Respected Parent/Guardian,

Charity Appeal

Assalaamu Alaikum (Peace be with you)

During this week, students and teachers at the school have been offering our prayers and thoughts for the fifty children, women and men who lost their lives in the mass shooting at Mosques in Christchurch, New Zealand.

In addition, in partnership with all of our Star Muslim faith schools across the country, we are launching a charity appeal to build a mosque and install 50 water hand pumps in memory of those who lost their lives in the shooting.

Project 1 - Masjid–e-Noor

- A Masjid in West Bengal, India, will be built.
- The new Masjid will be named Masjid-e-Noor, after one of the Masjids where the tragic events took place.
- The cost of the Masjid will be approximately £10,000.

Project 2 – 50 Water Hand Pumps

- 50 water hand pumps in West Bengal, India will be installed - one for each of the victims who died last week.
- The cost of one water well is £200.

Please donate whatever you can towards these noble causes. The monies from each of our families will be put together towards both projects.

Please note the deadline for this campaign is **Friday 29th March**.

Please donate on **Parent Pay**.

We pray for everyone who lost their life in this tragedy and the families and loves ones of those affected. We pray for our local communities and all of the people of our world – so that we may all be safe, have peace and harmony between us and enjoy happy and healthy lives. Aameen.

Yours sincerely

Mr Saqub Sheikh

Principal
