Dear Parent/Guardian

Assalaamu Alaikum – ‘Peace be upon you’

RE: New Grading System Presentation for Parents – Thursday 22nd September 4:00pm – 4:30pm and 5:30pm – 6:00pm

You may remember last academic year that you were invited to a presentation about changes to the way the government expects schools to report on pupil progress, as well as changes to how GCSE exams will be graded.

We are now well into the new term and the school, with guidance from Tauheedul Education Trust, will be implementing the changes to grading with immediate effect.

We will be running assemblies for all pupils this week, informing them of how the changes affect them, and their targets, report cards, and marking from teachers. In addition, at the end of the week, all pupils will be issued with a guidance booklet which they should bring home to share with you. This will highlight the key features of the new grading system.

However, we understand that you may well have questions for us at the school about the new grading system and so we will be running a presentation for parents on Thursday evening. There will be two presentation slots (4:00pm – 4:30pm and 5:30pm – 6:00pm) and you are welcome to attend either. The presentation will be delivered by the Principal, Mrs Thompson, and myself.

I cannot stress enough the importance of you understanding how your daughter’s work is graded in order to support her in making the progress expected of her.

We look forward to seeing you at the school on Thursday evening.

Regards

Anand Patel
