Dear Parent/Guardian

Assalaamu Alaikum – ‘Peace be upon you’

Residential Trips 2016-17

Here at Eden, we are firm believers that learning does not begin and end at the school gates, and that there is as much to be learnt/experienced, of value, in the wider world. Travel, and visits, are important aspects of enriching young people’s lives, and their understanding of the wider world.

With this in mind, the school will be offering a series of residential (overnight) trips this academic year. These have been approved by the school’s governing body and all trips served to enhance/support the school curriculum.

This initial letter is intended to give you an overview of the trips that will be offered, with approximate costs and timings to help you to forward plan, if you would like your daughter to take part in any of them. **This is not a consent form, and individual trip leaders will send out consent forms and letters once they confirm details with travel companies, etc.**
