

Eden Girls

26<sup>th</sup> May 2016

Dear Parent/ Guardian,

**As-Salaam-u Alaikum – ‘Peace Be Upon You’**

As we are nearing the end of the first half of the summer term; we continue to strive in ensuring that our ethos of academic excellence and spirituality is ever present and part of the school focus. We would like to bring your attention to a number of key events leading up to the end of the school year and our requested support from you as parents.

Ramadan 2016

As you are aware the blessed month of Ramadan will shortly be arriving for Muslims around the world. To raise awareness of the importance of this month the students will be taking part in a Spirituality morning on Friday 27<sup>th</sup> May 2016 focusing on the theme of Ramadan with relation to the importance of the Quran during this month.

The school will end for students at 12.00pm on this day for half term break. Some students will be attending the Ackers Trip as part of the Leadership programme on this day and will leave later.

Ramadan begins on the first day back after half term break on Monday 6<sup>th</sup> June. It is vital that students are aware that our expectations and routines in school are followed through as normal. The timings of the school day have not been changed. Students will be expected to arrive on time every day at 8.15am and leave school at 3.15pm, unless they are involved in Enrichment programmes. Intervention will not be running during this month. Students will have access to free school meals and will be able to consume any lunch brought from home on premises during this month too. Students who are fasting will be provided with opportunities to read prayers, do tilawat and spiritually reflect in our Hall during lunch and break times at school, under supervision.

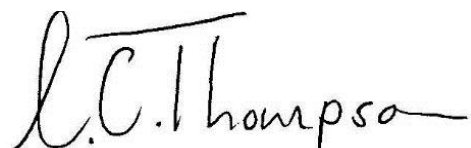

All students must by law attend school every day during the month of Ramadan and we must work together to keep your child's attendance high. Eden Girls' School was in the top ten schools for high attendance in the country for 2014-2015. This is a magnificent achievement and we want it to be the same again this academic year. Thank you for this, and your continuous support for our whole school drive on achieving 100% attendance at the end of the academic year. How wonderful would it be for your daughter's future for her to say she belonged to a school that achieved this? An impressive statement in any career or future higher educational application.
