Dear Parents/Guardians

**Health and Safety Notice**

We have experienced several instances where parents are not using the turning circle at Lincoln Street when bringing their daughters to school. Please do not stop and reverse outside of the school as this is dangerous for other students who are walking into school and for other cars coming around the turning circle.

There have also been occasions when parents are parking across the kerb outside the Stoney Stanton entrance when collecting their daughters after intervention. Please can you ensure that you park on a safe place on the road.

May I thank you for your co-operation in this matter as I am sure you will agree that the students safety is important.

Yours faithfully

Linda Thompson
