Dear Parent/Carer

Assalamu Alaikum – ‘Peace be upon you’

Enrichment Activities for the Spring Term 2

At Eden Girls’ School, we offer a lot more than academic excellence. We provide a wide range of activities to all students from all Year groups. Enrichment helps students to develop their interests and abilities, provides valuable learning experiences outside their studies, and promotes independence and interpersonal skills, which are much sought-after by employers and support their academic studies.

The expectation is that your daughter signs up to one enrichment activity every half term. Academic intervention and GCSE Urdu sessions take priority over enrichment, and pupils are expected to attend these sessions.

Please indicate the clubs your daughter wishes to choose by ticking the box in the table below. As there are limited places on some of the clubs, I recommend that your daughter chooses more than one club but then gives each one a number in the priority column, depending on her preferences (for example if Archery is their first choice put 1, then Nasheed Choir is their second choice put 2 and so on).

We will do our best to allocate students to their first choice but this will not always be possible due to the popularity of some clubs. Students will be allocated on a first come first served basis and a student will not be allowed in the same club again this academic year, if it is a high demand club.

This letter must be returned to the school reception **by Friday 21st December 2018**, with the declaration signed.

Many thanks for your support with these valuable activities.

Yours faithfully

S Akram
