Dear Parent/Carer

Assalaamu Alaikum – ‘Peace be upon you’

I am writing to you with respect to a Year 7 parental survey which we would like you to complete online. As a school we are committed to work in partnership with all stakeholders including parents/carers as this will provide the best support for all our students. We are very interested in your views as parents/carers about our school and we would like to request you to complete an online survey to help our school going forward.

During this afternoon, you will receive two text messages. The first text message will provide a link to this letter explaining the process to you. The second text message will provide a link for you to access the online survey which has a number of questions with a multiple choice format. Please read the question carefully and choose the most appropriate answer in your view.

The Year 7 parental survey will be open today and will be open for two weeks until Friday 22nd February 2019 providing you time to participate. The survey will take approximately 15 minutes to complete. We hope that everyone will complete the survey and share your views about our school. I would like to thank you in advance for your anticipated support in this matter.

Yours faithfully

Saqub Sheikh

Principal
