Assalaamu Alaikum – 'Peace be upon you'

Dear Parents/Carers

RE: Coronavirus - Emergency Support Appeal for Volunteers

During these unprecedented times, the need to support the vulnerable and needy in our local community is a key priority. As a school, we are working with local charities and Coventry City Council to coordinate a support programme. The support programme will focus on two key areas:

- A 'shopping and delivery' service for those who are self-isolating
- A collection and delivery service of medicine for those who are self-isolating
- A 'phone a friend' service, aimed at those who are isolated at this time and would benefit from someone to speak to

To enable us to effectively carry out the above, we are in need of volunteers, especially volunteers who have access to a car.

We are making an urgent appeal to our STAR Community to come forward and volunteer for this programme.

Please fill out the form, using the link that has been sent as a text to all parents/carers, if you are interested in joining the programme.

We hope to receive your support in these challenging times and pray that the Almighty keeps us all safe and healthy, ameen.

Yours faithfully

Moulana Zubair Khalifa
Faith and Character Education Lead
