Monday 1st June 2020 \ 9-Shawwal-1441

Dear Parent / Carer

Assalamu Alaikum – ‘Peace be upon you’

Re: GCSE Guided Choice: Geography and History

We are writing to invite you and your daughter to the Humanities remote information session, which will take place on **Thursday 4th June 2020 at 3.00pm** through Microsoft TEAMS.

At Eden Girls’ Coventry we are fully committed to offering an EBacc Curriculum where great care is taken to help pupils select the most appropriate combination of subjects for their future learning. As part of the EBacc Curriculum, all pupils are required to study a Humanities subject either GCSE Geography or GCSE History.

This information session will be delivered in the Year 8 TEAMS Room on the announcement channel. Here you will be presented with the subjects and the process will be explained.

We have uploaded an information booklet to provide further information on both GCSE Geography and History which is available in TEAMS Room.

Pupils are expected to use the online form to make their choice. **The deadline for the forms to be completed is Monday 8th June 2020.**

This process is a ‘*Guided Choice*’ and should the school need to speak with pupils about their choice the school will arrange telephone meetings.

We would like to take this opportunity to ‘**Thank you**’ for your continued support.

Yours sincerely

Dr Mohammed Rahman
Assistant Principal
