RE: French GCSE Revision Guide and Workbook

In preparation for your daughter's GCSE French exams, she may find it helpful to purchase a French revision guide and/or a workbook that we are able to provide at the discounted price of **£2.85 per book**.

The CGP revision guide and workbook cover all elements of the GCSE course and complement the course content covered in class. They can play a part in helping students to become more proactive and independent in preparing effectively for the forthcoming exams. We encourage every student to purchase a revision guide.

Please log into Parent Pay to make the payment under 'pay for other items'. Once your payment has been received your daughter will be issued with a revision guide and workbook.

If your daughter is entitled to Free School Meals or Pupil Premium the school will support in providing a copy of the revision book for her. If you wish to take up this offer, please sign and return the slip below to reception.

Yours sincerely
