**RE: Staying Safe Online Workshop: 15<sup>th</sup> December 11am-12.00 pm**

Dear Parents/Guardians,

The internet offers children endless possibilities to connect, communicate, create and learn, but with that comes the inevitable challenge of staying safe. It can be hard to keep track of changing technologies, but there are simple steps you can take to keep your child safe online.

We would like to invite all parents, carers or family members to a free online safety workshop at Eden Girls School Coventry on **Wednesday 15<sup>th</sup> of December at 11:00 am**. The content covered in the workshops is aimed at adults. Parents with children are advised to arrange childcare if possible. The hour-long workshop will help parents, carers and other adults understand their child's online world, build confidence to have those important conversations that can help keep children safe online and help you know where to go for help and advice.

Please return the slip the below to the school reception if you would like to attend. Until then, if you need any support or guidance about keeping children safe online, here are a few resources you could look at.
