Dear Parent / Carers

Year 10 HT3 Assessment: Monday 31st January-Thursday 10th February 2022

The Autumn 1 Assessment programme starts on **Monday 31st January and runs until Thursday 10th February 2022**. Religious Studies and Computer Studies will be externally assessed in 2022. Like last year, this year the grades from the internal assessments may be used to inform the final grade for the subjects if final exams cannot take place due to Covid-19. **Therefore, this year the internal assessments for the above subjects have much more of significance.**

The timetable for these assessments can be found below.

Computer Science Part A 50 minutes	Wednesday 2 nd February 2022 (2.20 PM)
Religious Studies Paper 2 1 hr 20min	Monday 7 th February 2022 (8.30 AM)
Computer Science Part B 50 minutes	Wednesday 9 th February 2022 (2.20 PM)

For the other assessments not listed above, subject teachers will notify students of the timing of the assessments. It is important that students spend time revising and preparing for assessments and in order to do this they should be spending at least 2 hours per night revising. Staff at the school will have provided students with lists of topics and content to revise and students should ensure that they have their books/notes in order to do this.

On the day of examinations, students should ensure that they come to school properly equipped, and this includes the relevant exercise books and textbooks for the subjects being examined.

If you collect your daughter from school, please note that on some days she may be slightly late leaving school if assessments over run.

Should you have any questions regarding the assessment process, please contact me at the school.

Yours sincerely

Mohammed Rahman
Assistant Principal
