## Update: Summer Career Experiences

15 industries | Ages 12-18

The banner features the text 'SUMMER CAREER EXPERIENCES' in large white letters on an orange background. To the right is a Trustpilot logo with a 4.9/5 star rating and '4,000+ Data & Tech reviews'. A blue circle on the right contains the text 'MORE THAN 80% FULL'. Below the main title is a dark blue bar with the text 'IMMERSIVE INDUSTRY EXPERIENCE FOR STUDENTS AGED 12-18'. At the bottom are five small images: a chef, a scientist, a person in a museum, a nurse, and a film set.

Over the Easter period, we were busy putting the finishing touches to our immersive summer career experiences in London. **We are now more than 80% full across the board and expect to close registration soon.**

**Some of the life-changing opportunities on offer:** Debate in a 'Model UN' session at **Amnesty International**; experience sports psychology at a **Premier League club**; display your artwork in a private gallery at the **Tate Modern**; piece together a supercar engine with **F1 engineers**; direct scenes on a **Hollywood film set**; and many other **incredible professional experiences** that students simply cannot find anywhere else.
