Dear Parents/Carer,

**Assalaamu Alaikum – ‘Peace be upon you’**

**RE: Yr 9 and 10 Combined Science GCSE Workbook**

In preparation for your daughter’s Science GCSE, she was required to purchase a knowledge organiser and retrieval workbook.

The CGP knowledge organiser and retrieval workbook covers all elements of the GCSE course and complements the learning in class. It can play a part in helping students to become more proactive and independent in preparing effectively for the forthcoming exams.

Unfortunately, your daughter has not purchased the book on Parent Pay. On this occasion, the school have decided to allow your daughter to have these books. However there is an outstanding balance on your parent Pay.

Please log into Parent Pay to make the outstanding payment under ‘pay for other items’ at a cost of **£6.50** for Combined Science (sets 2-5) and **£10.50** for Triple Science (set 1 only).

Yours sincerely

Lizzy Hayer

Director of Learning for Science.
