

Assalaamu Alaikum – ‘Peace be upon you’

25th May 2022

Dear Parents/Guardians

Year 8 End of Year Assessment Timetable

As you will be aware, the end of year assessment process starts on Monday 6th of June 2022.

The timetable for assessments is included on the back of this letter. Please ensure that you keep this in a prominent place so that you can ensure that your daughter prepares properly for her assessments.

It is important that students spend time revising and preparing for assessments and in order to do this they should be spending at least 1 hour per night revising. Staff at the school will have provided students with lists of topics and content to revise and students should ensure that they have their books/notes in order to do this.

On the day of examinations, students should ensure that they come to school properly equipped, and this includes the relevant exercise books and text books for the subjects being examined.

If you collect your daughter from school, please note that on some days she may be slightly late leaving school if assessments over run.

Should you have any questions regarding the assessment process, please contact me at the school.

Yours faithfully

Mohammed Rahman
Assistant Principal
