12th May 2022

Dear Parent/Guardian,   Assalaamu Alaikum (Peace Be Upon You),

I hope and pray that you and your family are well.

As you will be aware, over the next few weeks, your daughter will be completing final GCSE exams in Religious Studies. There will also be a select number of students completing exams in Computer Science. These exams will decide your daughter's grades in these subjects. Your daughter's teachers will deliver revision lessons before each exam so that she can prepare adequately and maximise her grade. I am writing to ask for your full support to ensure that your daughter achieves the best possible results in her exams. In particular, I would ask for your help to ensure that your daughter:

- **Attends school every day over the next few weeks.**
- **Attends all revision classes delivered after school and at weekends.**
- **Revises fully at home, on average for 2-3 hours each evening.**

The table over leaf outlines each session your daughter needs to attend during school, after-school and at weekends **until May half-term.**

Page two of this letter also highlights all of the forthcoming GCSE examinations for Y10.

Please remember the school and all our students in your prayers, particularly over the next few weeks of exams.

If you have any queries or concerns, please do not hesitate to contact me.
