

Dear Parent/Guardian,

Assalaamu Alaikum (Peace Be Upon You),

I hope and pray that you and your family are well.

We are almost halfway through the GCSE examination period and I am happy to say we are proud of our girls for the dedication and resilience they have shown. After June half term, they have a further 3 weeks of examinations ahead of them. Like this half-term, your daughter's teachers will deliver revision lessons before each exam so that she can prepare adequately and maximise her grade. Once again, I ask for your full support to ensure that your daughter achieves the best possible results in her exams. In particular, I would ask for your help to ensure that your daughter:

- **Attends school every day over the next few weeks.**
- **Attends all revision classes delivered after school and at weekends.**
- **Revises fully at home, on average for 2-3 hours each evening.**

The table overleaf outlines each session your daughter needs to attend during school, after-school and at weekends **from the 6<sup>th</sup> June.**

Page three of this letter highlights all the remaining GCSE examinations.

Furthermore, we also have an intensive holiday intervention programme taking place from Monday 30<sup>th</sup> May to Wednesday 1<sup>st</sup> June. A separate letter has been distributed regarding this.

Please remember the school and all our students in your prayers, particularly over the remaining few weeks of exams.

If you have any queries or concerns, please do not hesitate to contact me.

**Mohammed Rahman**  
**Assistant Principal**
