

Eden Girls

17th July 2022

Dear Parents and Carers

Heatwave - Monday 18th and Tuesday 19th July 2022

In light of the extreme heat weather warning in place for Monday 18th and Tuesday 19th July 2022, we will be following the guidance from Star Academies, the Local Authority and the DFE.

The school will be undertaking a number of steps to reduce the risk to our staff and students. This will include:

- Water will be available at all times from our water coolers.
- All window and doors will be open and blinds will be kept shut where possible.
- Changes will be made to PE sessions to avoid vigorous physical activities.
- Children will spend limited amount of time outside unless they are in a shaded area.

Please encourage your child to:

- Bring a water bottle and stay hydrated.
- Wear and bring sunscreen.
- Bring a cap/hat and sunglasses.
- Use the extra shaded spaces provided by the school.
- Inform a member of staff if feeling unwell, over-heated or dizzy.

Should we receive any further updates or changes regarding the weather warning from the Local Authority or Star Academies, we will send out via our text messaging service.

Please remember to send your child with a water bottle, sun hat/cover and wear suitable clothing to keep them cool and protect them from the sun.

I hope you have a lovely, sunny, safe weekend.

Yours sincerely

Anand Patel
Principal
