Dear Parents/Carer,

Assalaamu Alaikum – ‘Peace be upon you’

RE: Science GCSE Revision guide and Workbook

In preparation for your daughter’s GCSE Science exams, she will find it helpful to purchase the Science revision guide and workbook. The Pearson revision guide and workbook covers all elements of the GCSE course and complements the course textbook used in class. It can play a part in helping students to become more proactive and independent in preparing effectively for the forthcoming exams. We encourage **every** student to purchase a revision guide and workbook.

We can provide both the revision guide and workbook at the discounted price of **£10** for Combined Science (sets 2-5) and **£18** for Triple Science (set 1 only).

Please log into Parent Pay to make the payment under ‘pay for other items’. Once your payment has been received your daughter will be issued with the revision guide and workbook.

If your daughter is entitled to Free School Meals the school will support in providing a copy of the revision guide for her.

Yours sincerely,

Lizzy Hayer
Director of Learning for Science.
